

STERLING'S HIGH YIELD BOND FUND

Are you saving towards retirement, the purchase of a house, the education of your children or grandchildren? Sterling's mutual fund is the perfect vehicle to grow your savings over the medium to long term.

HOW MUTUAL FUNDS WORK FOR YOU

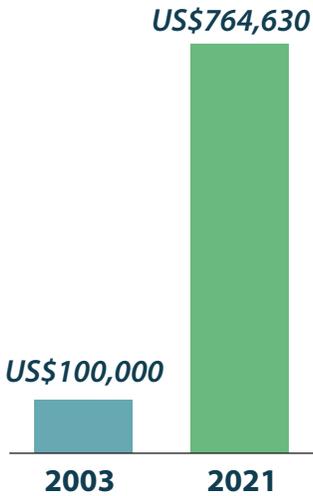

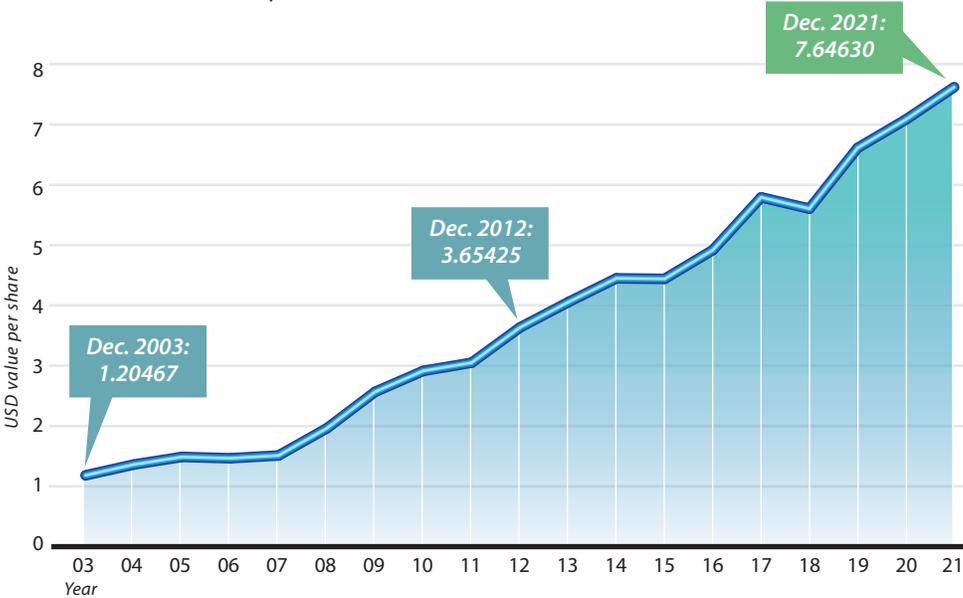

Sterling's High Yield Bond Fund, is focused on fixed income US\$ global securities. Mutual funds pool your money together with other investors to purchase shares in a professionally managed portfolio. Each investor that owns a share of a mutual fund, owns a piece of this single portfolio. This fund was one of the first global mutual funds offered in Jamaica. It gives investors access to investments outside of Jamaica and allows for diversification and higher risk adjusted returns.

US\$100,000 invested in 2003 was worth US\$764,630 in December 2021.

High Yield Bond Fund Performance

Net Asset Value since inception
